Fragments for Fractured Times

What Feminist Practical Theology Brings to the Table

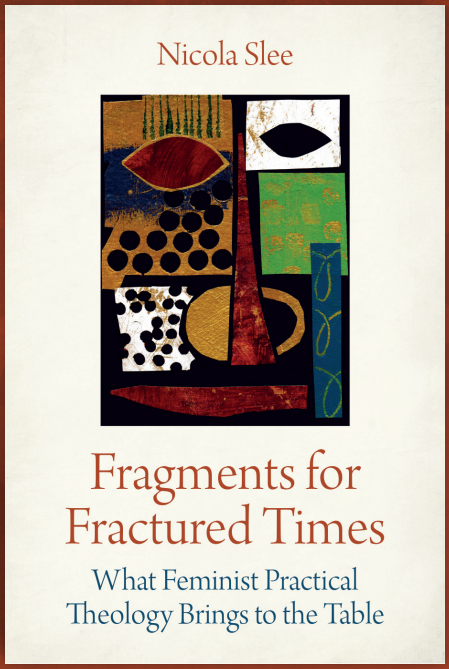
Nicola Slee



'Preeminent poet-practical theologian Nicola Slee has gathered a beautiful collage of writings filled with wisdom wrestled from life. At once prayerful and scholarly, these essays deepen faith and broaden religious understanding. A stellar contribution to the discipline and an immense gift to wider conversations about theology and the spiritual life.'

Bonnie Miller-McLemore

In ***Fragments for Fractured Times***, Nicola Slee brings together 15 years of papers, articles, talks and sermons, many of them previously unpublished. Drawing on a wide and diverse range of her writing, Slee demonstrates the richness and variety of feminist practical theological writing. What feminist theology brings to the table of scholarly thinking and embodied practice is, she suggests, something creative, artful, prophetic as well as playful - a resource for Christian living and thinking in fractured times.
